

**Multilingual DVD on the *Importance of Play* – Order Form**

This is a 30-minute film for parents on the importance of play. It shows a diverse range of parents and their children aged 0 – 12 playing in many settings. Our Registered Play therapist talks about how play can build bonding and attachment. Separate discs are available narrated in: **Cantonese, English, Farsi, Mandarin, Punjabi, Spanish and Vietnamese**. Each non-English language disc has the English version as well.
