

Position: Clinical Counsellor
Location: Vancouver
Position Type: Permanent, 20 hours per week

Job Summary

- Experience with a variety of treatment modalities (e.g., person centered, solution focused and cognitive behavioral approaches) and techniques
- Experience utilizing play therapy (and/or art therapy, music therapy, and other expressive therapy) approaches with children
- A demonstrated ability in working with mandated clients who face multiple challenges that impact upon parenting (mental health diagnosis, family dynamics, communication, family violence, child abuse and addiction)
- Assess appropriateness of referred clients and refer families to other resources better suited to their individual or family needs, as required.
- Provide consultation and supervision to front-line staff and practicum interns regarding implementing a variety of treatment modalities, play and other expressive therapies, and specialized therapeutic interventions (such as, Modified Interaction Guidance and Parent-Children Interaction Therapy if qualified)
- Assist with the design and implementation of specialized groups (such as, children’s resiliency group, attachment-focused parenting, women and anger, and so on)
- Liaison and consult with MCFD staff, health and school professionals as well as other outside professionals
- Experience in developing, and following through with, a therapeutic plan with client input. Maintain contact logs, and prepare assessment, progress and discharge reports
- Maintain client confidentiality at all times.

Job Duties and Responsibilities

- Practice in keeping with ethical practice standards
- Provide input to the Clinical Counselling Team in regards to mental health diagnosis, family dynamics, communication, family violence, child abuse, addiction and other relevant areas
- Experience with program delivery and demonstrated success with program promotion to community professionals
- Provide play therapy supervision for an intern (Master’s Level Candidate) under the direction and with the support of the Clinical Director and Play Therapy Clinical Consultant
- Attend supervision specifically for Play Therapy bi-weekly (2x a month) with Clinical Consultant
