

**Thank You
Tugo for
Sponsoring
60 Families!**

**“Thank you for your gifts and your kindness. You brought happiness to our family and made our holiday special.”
- WFC Family**

Thank You for a Wonderful Season.

In 2024, Westcoast counsellors and support workers nominated 151 families to receive a hamper full of gifts, food, clothing, and gift cards. This was one of our highest years on record for nominations!

All the families that were nominated received a holiday hamper this year filled with essentials of clothing, food, toys and other items. In total, we were able to support over 500+ individuals in the community, including children, parents and caregivers with items that supported their health, hygiene and overall well-being.

This past holiday season was one of our most memorable ones, and it's thanks to our donors!

Your Support Matters.

Each year, donors come together from all areas across the Lower Mainland to support vulnerable families who are having trouble meeting their basic needs.

In 2024, we had 47 incredible individuals and families provide a holiday hamper to our clients. From one family to another, it is amazing to see how we can lend a hand and make the season bright for us all.

We also had 19 teams and organizations in our community use our holiday hamper program as a team building exercise to give back to their local community. Some of these teams included:

- Tugo
- Bunt & Associates Engineering Ltd.
- Clark Wilson
- The Bolton Academy of Spoken Arts
- Rising Tide Consultants Ltd.
- UBC DAS Lab
- CarMa Maintenance
- Sequeira Partners
- Tundra Technical Solutions
- And so many more!

THANK YOU!

The generosity of our donors has provided WFC clients with hampers full of essential gifts, clothing, gift cards and more!

If you would like to donate to our Building Blocks Fund throughout the year, please scan the QR code or visit our website at:
